2. Treasurer's report

The Treasurer was not present, and there was no report.

3. State Central Committee

Ronna reports that all 5 Congressional districts will have a Green candidate this year. Ralph Ferrucci is apparently the candidate in the New Haven district.

Doug Schwartz from New London spoke to the SCC about corruption in the Probate Courts and other areas of CT government. He was asking the Greens to become active in this area. There was some interest expressed by members of the SCC.

A representative from Health Care for Everyone asked for the CT Greens endorsement. The SCC declined to endorse them because they do not support single payer.
